## ABOUT US

Ganana Institute of Medical Sciences and Technology (**GIMSAT**) was incorporated on 12<sup>th</sup> October 2015. It was registered as a Technical and Vocational Training institution in accordance with Technical and Vocational Education and Training (TVET) Act 2013 on 14<sup>th</sup> April 2016. The college was approved by Kenya National Examination Council as an examination centre on 16<sup>th</sup> June 2016.

The strategic intent of **GIMSAT** is to provide accessible, affordable and quality education which has been a challenge in Northern Kenya. There has been great expansion in both primary and secondary education over the years without a corresponding expansion of middle level colleges and universities in the region. This has led to the limited progression of students who graduate from primary and secondary schools. There is a huge training gap that has forced students to join institutions in far flung regions at high costs. This region is classified as Arid and Semi-arid hence high cost of acquiring the much needed knowledge and skills limits children from the region and community in general to improve their standard of living.

We at **GIMSAT** recognize this knowledge and skills gap and it is harmful to the society. It constrains the community's social economic advancement and empowerment. In this regard, our intent is to specifically address this knowledge and skills gap in the region and thus bring the youth at par with those of other regions in terms of employability and academic pursuits.

## OUR MOTTO

Fulfilling a Brighter Future

*Learning in progress*

## OUR CORE VALUES

- ❖ **INTEGRITY** - we embrace honesty, truthfulness, accountability and transparency in all our engagements
- ❖ **PROFESSIONALISM** - we embrace work ethics in provision of all services we offer.
- ❖ **TEAMWORK** - we acknowledge and continuously strengthen unity of purpose as an important ingredient within our work environment. We embrace collective responsibility for the efficient delivery of services
- ❖ **INNOVATIVENESS** - innovation is the engine for our institutional development. We will continue to facilitate and encourage novelty in ideas and technologies in all our endeavours.
- ❖ **CUSTOMER FOCUS** - we ensure that our objectives and operations are linked to customer needs and expectations. We therefore, focus on strategies to meet current and future expectations of our customers.
- ❖ **LEARNER FOCUSED** – we endeavour to Provide World-Class Education, Research and Innovation for Individual Transformation and Sustainable Global Development. We shall strive to increase the number middle level learners who can apply scientific knowledge in a fast changing technological world through improved quality of teaching, monitoring and assessment.
- ❖ **INCLUSION** - We shall promote student participation in decision-making, and in community service activities that the college is engaged in.
- ❖ **ACCOUNTABILITY**- The prevalent culture of staff and students largely determines perceptions about the college in the larger society. Loyalty, commitment and ownership of the institutions are key to long term survival and success. Nurturing these attributes will deliver the right professionals into community service. The college will establish mentorship program for students and staff for their formation and advancement. To further enhance accountability, the college has; reviewed administrative structures and systems; created a culture of ownership and effective strategy and policy execution; created mechanisms for entrenching the core values of the college among staff and students and enhanced leadership and management capacity at all levels

## OUR QUALITY STATEMENT

Updates and upgrades on the quality management system are extremely critical in evaluating our commitment to quality. Hence our quality policy encompasses the complete process-from short listing to interviewing and admission, and is in line with the framework of applicable regulations and globally/nationally prescribed norms. The quality policy constitutes a customer-centric approach, aimed at delivering value and achieving complete student, community and national satisfaction.

GIMSAT is committed to operating every aspect of the institution in an efficient and effective way, while consistently offering the highest possible standards of quality in training. In this regard, the College is committed to continual improvement and review of the Quality Management System in line with customer and market demands.

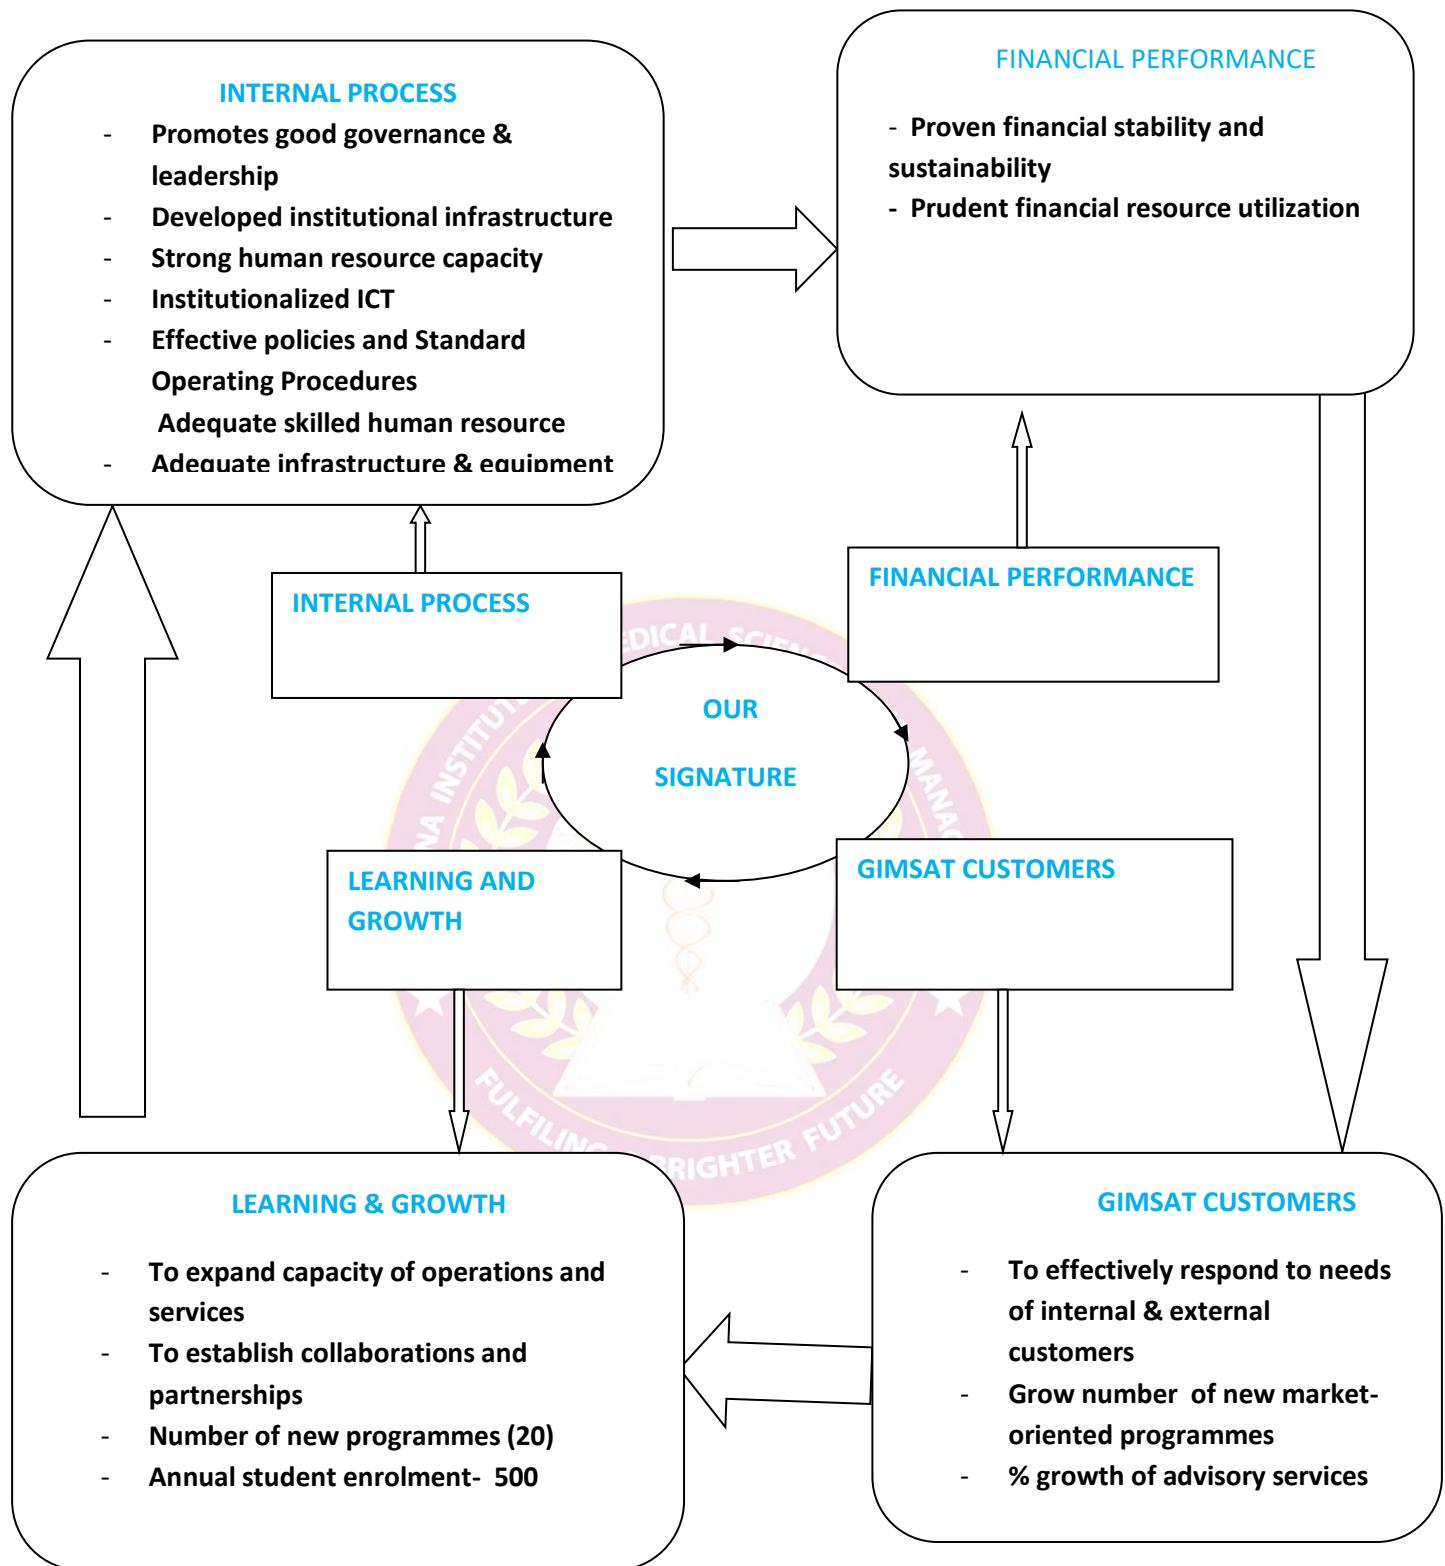

We are dedicated to sustained upgrading of techniques and adherence to international standards, regulations and training norms. These are at the core of every activity pursued.

We endeavour to scale up to the pinnacle in training. We would pursue this vision with quality service, experience and expertise, outstanding personnel, commendable overall efficiency and effectiveness.

## OUR BALANCED SCORECARD

## OUR PROMISE

- ❖ **GIMSAT** will forever strive to build a reputation for excellence in education in Kenya, the region and beyond. We will build on our progressive track record with zeal and dedication in the pursuit of excellence in teaching and learning.
- ❖ Our academic programs and courses will be market oriented, rigorous, coherent but flexible, capable of stretching the abilities of the most intellectually able students
- ❖ We shall strive to attract faculty of the highest intellectual calibre competent to provide tailor-made services to students from diverse backgrounds.
- ❖ Our learning atmosphere will be student friendly; where students will have the opportunity to realize their full potential at both personal as well as academic levels. They will have the opportunity to acquire a broad range of skills and to benefit from social interaction with academic staff and fellow students
- ❖ GIMSAT staff and faculty will offer unequivocal support students in both their academic and personal life.
- ❖ Our awards will be an accurate reflection of students' capabilities and attainments. In this regard, our methods of assessment will be both thorough and comprehensive.

## OUR UNIQUE SELLING PROPOSITION

- ❖ An environment for teaching and learning which makes best use of the talents and abilities of staff and students within the resources available – in particular by ensuring effective planning and coordination, by reducing pressures on academic and other teaching staff, by identifying and adopting the most effective methods for teaching and learning and by providing adequate infrastructure and support;
- ❖ We foster a learning environment in which teaching is highly valued and in which pedagogic issues, such as the development of teaching and assessment methods, are the subject of regular, well-informed debate;
- ❖ We monitor, maintain and strive to raise the standards of GIMSAT'S teaching provision, in order to ensure that students are consistently offered the highest quality of education
